

## **Agboola, S. D.**

A Microbiologist by training, he was the first Indigenous Director of NSPRI. He was transferred from NIFOR to NSPRI as a Director in 1979. During his tenure, he expanded the mandate of the Institute to cover indigenous crops, also relocated NSPRI's headquarters from Lagos to Ilorin, Kwara State. He started his tenure in the year 1979, and ended in 1995. While leaving the office, he handed over to Mr. J. S. Opadokun, a Chemist by training as an Acting Director.
